"Gaining professional experience abroad"

Arrival and accommodation

We arrived here on 18th July 2021.

Our accommodation was situated in Gżira.

The next day we met with our employers.

The Exiles Hotel

We work at the Exiles hotel in Sliema, it is a small but very atmospheric boutique hotel located in the heart of the Village Core, just a stone throw from the city center of Sliema. It is characterized by beautiful blue balconies. Wonderful and warm staff and the owner make the hotel a friendly and homely atmosphere. Every morning we help prepare and serve delicious breakfasts on the roof terrace of the building. In addition, we welcome guests at the reception, we try to help with their every need, and we answer phone calls. Thanks to the internship at this hotel, we were able to learn the check-in and check-out procedure in practice. We had the opportunity to see what work in a hotel really looks like. We take care of order in the public areas and help in the preparation of rooms for guests - we supplement hotel accessories, towels, make beds and refill the minibar.
